Eaton 5L UPS

600/800/1000VA

1000VA   **600VA / 800VA**

Line interactive UPS

Line interactive technology at an affordable price

- Secure your data and equipment by protecting you against power outages and bad power quality
- With Automatic Voltage Regulation (AVR), Eaton 5L UPS can ride through under & over voltage without utilizing battery
- Unmatched price/performance ratio

Eaton reliability

- Rely on batteries anytime : Eaton 5L UPS can start up on batteries without mains (Cold Start)
- Eaton 5L UPS is equipped with data line surge protection (internet/fax) to avoid back door damages coming through phone lines
- Ensure piece of mind with 2 years warranty

Easy integration

- Ease of connection to any equipment (PC, HD TV, internet gateway) with universal outlets that support NEMA 5-15P and Schuko
- Install Eaton 5L UPS anywhere thanks to its small size
- Manage your UPS from your PC:
    - Shutdown software compatible with most OS for safe system shutdown and easy monitoring of UPS condition
    - UPS comes equipped with USB port and USB communication cable
### Ideal for protecting:

- PC and workstations
- Network-attached storage
- Internet access point
- Point of sales equipment
- Business telephony
